Dryer Vents

Build up in your dryer vent may cause slow dry times, higher energy and repair costs and can be a potential fire hazard.

Parking lots/garages are expensive to replace and they reflect on your property. Keep them clean to avoid premature deterioration. We clean floors, walls and overheads.

HVAC Systems

We clean your indoor environment through duct cleaning of air make up units, exhaust systems, kitchen vents, and washroom exhausts.

Garbage Chutes/Bins

We clean and disinfect your garbage chutes and bin areas. We also power wash all exteriors including balconies.
